Jeff,
I wish you all
the best in the
world in all your years
out of MHS. And I
want to tell you some-
thing that it has been
a real pleasure
managing you
for
you may

Dear Jeff,
 My swell
 brother. Golly it's hard
 writing good. bye's to you but
 I'd not have our friendship end when
 I close this book. I've enjoyed knowing you and being
 with you this last year. You're tops in my books.
 Personality, ability, get-up-and-go, etc. You know all
 about these. Remember the great time we had when
 we tripled and saw "Please Don't Eat the Daisies". Let's
 do it again. We'll probably see you this summer
 in Rimbhead. Here's hoping.

God's blessing always be with you. Even though you're
 in my family, I'll always think of you as my brother.
 Love
 Jeff

Don't forget to take care of your family. You're
 the best of luck, success & all
 really go please. (I don't say often, though)
 as sweet as you are now and you'll
 together (I try to forget the other) - I'm always stay
 you. I'll always remember the nice times we had
 It sure has been nice knowing a great guy like
 me to say about you, without taking a few w-fff-
 gonna take quite a while for me to think of something
 so (I mean, I'm only kidding) it's
 something nice about you, don't say anything
 I've always been taught that if you can't say
 Dear Jeff,

(turn to page 132)
 (I think)
 that you'll never see me again

Love
 Jeff

Jeff,
It's been fun
knowing you this
year & best of luck
in the future.

Foreword

The movie, "Around the World in 80 Days," was the inspiration for our yearbook. The pages of the Signet are designed to depict the swiftly changing scenes and broadened experiences of our lives, but for the Class of 1960, the journey does not conclude with the final page of the book. It begins.

Jeff,
- Good luck
in college and in
the future.

Dear Jeff,
Here's a love I'll
be very sorry to see
leave M.H.S.: I'll hope
I'll be seeing you during

DEDICATION

The Senior Class of Mineola High School dedicates this, our yearbook, to a man who has been both friend and advisor to us all, Mr. Ben Wallace. Through our years at Mineola he has been our constant guide and inspiration.

His continued search for knowledge during this past year has inspired us to do likewise. By furthering our learning, we hope that we may also find rich and rewarding lives in the future.

Our heartiest thanks to you, Mr. Wallace, and best wishes for continued success.

Administration

Board of Education

The Board of Education plans our passage through the school year. The Board, the policy making body of the school system, has the power to determine what courses shall be taught, how, when and where they are taught, and who are to teach them.

Our local School Board governs School District #10 as set up by the state. Therefore, the members of our School Board are state, not municipal officials. The Board thus acts for the state in determining educational policies. The Board is the legislative and judicial body of our school system. It plans the school program for the year and judges such matters as may come before it. The Superintendent serves as advisor to the Board and carries out its decisions.

There are three officers appointed by the board: a clerk who keeps the meetings; a treasurer, who is the fiscal officer of the district; a counsel, who is the legal advisor and represents it in any disputes which may arise.

Since members of the Board serve without pay, they deserve all the commendation the school and community can give them.

SEATED: Dr. Ernest Michaelson, Joseph L. Besosa, President. STANDING: Cyril Holliday, Mrs. Frederick A. Kothe, Vice President, Walter H. Hock.

SEATED: Dr. Raymond Ostrander (Superintendent of Schools),
Mr. M. J. Rudner (Assistant Superintendent of Schools), STAND-

ING: Dr. Thomas Marshall (Administrative Assistant), Mr. John
Seiferth (Director of School-Community Relations).

Administration

The Administration of the Mineola Public Schools is directly responsible to the Board of Education. It is their duty to see that the policies of the Board are carried out in the proper manner. The Administration has taken a deep interest in our affairs and it is their aim to help the school system and the students as much as they can. Dr. Ostrander and his assistants are men who serve us unfailingly and who strive to give each student an opportunity for educational advancement. The Senior Class of Mineola High School wishes to thank the Administration for its fine leadership through our high school years.

Mr. Levine

Mr. Herbert Levine, acting principal of Mineola for the year 1959-1960, has done a commendable job of keeping Mineola running smoothly. He is a serious, hard-working man who has given himself whole heartedly to the betterment of Mineola's students.

Among Mr. Levine's interests are stamp collecting and boating. He enjoys listening to modern jazz although he confesses that he does not have too deep a knowledge of it. Mr. Levine is an enthusiastic admirer of colonial restorations, and has spent many vacation days visiting New England towns and monuments.

Mr. Knickerbocker

Taking over Mr. Levine's former position as assistant principal is Mr. Robert Knickerbocker, once a member of the Citizenship Education Department and popularly known as "Mr. Knick." Mr. Knickerbocker's six feet, three inches of height once made him a high school and college athlete. Today he is an avid baseball and football fan.

We who were in Mr. Knick's classes will always remember the "stimulators" which he devised to increase interest in Citizenship Education. This year Mr. Knick's main duties rest in the entire school body instead of a few C.E. classes. We feel that we are most fortunate in having Mr. Knick as one of our administrators.

Freshmen

When we pulled out of the junior high school station, we were signed up for a four year trip. Some of the trip tickets read "Joy Ride"; others said "Salt Mines." But no matter what, this safari promised to be a new experience.

Carrying a full cargo of books, we chug-chugged up and down the three flights of stairs that separate "No Man's Land" from the more civilized parts of the building. At the Freshman Orientation Assembly we were read the Articles of War concerning proper behavior and introduced to the extra-curricular activities. Rest assured there was something for everyone from the "beatnik" to the "egghead." We frolicked at the Freshman Orientation Dance, ran ourselves ragged to secure top place in the Magazine Campaign, and reveled in MHS victories on grid and court.

Our first year was packed with fun and excitement!

Sophomores

"Soph" means wise, and as sophomores we began the second stage of our journey, aware of our new importance in high school activities.

Our expanding horizons became international in scope. In geometry we visited the ancient land of the Pyramids for a do-it-yourself lesson in "constructing two congruent 'tombs'." World History gave us a guided tour through the cradles of civilization, the glories of Greece, Roman conquests, and the battlefields of two World Wars. As biologists we traveled through the alimentary canal and cut a wide path through a jungle of frogs, worms, and grasshoppers.

High school society welcomed us with open arms, and we became eligible to join the Choristers, Cheerleaders, Rockettes, and Biology Club. Suddenly we seemed to fit in so well, and before us lay the exciting prospect of entering the social world of the upperclassmen.

The initial stages of our trip through the Land of the Upper Classmen were dazzling with excitement and gaiety. For the first time we were allowed to organize as a class and wear school rings. We found chemistry a vast change from biology; it was dangerous! Will we ever forget the explosions that often racked the laboratory and jolted our nerves? We sailed with Columbus to America, took part in the Revolutionary War, watched the U. S. grow in size and power, saw slavery abolished, and rode with Teddy Roosevelt's Rough Riders up San Juan Hill. How glorious it all was!

Seniors

Senior year at last! As our engineer on this year's trip we had Garry Hitchcock, supported by a wonderful crew composed of Hsueh Ming Wu, David Sunderland, and Cecilia Bertoni. They guided our train around narrow bends and through dark tunnels to lovely vistas and novel experiences.

As passengers, we now look at the log of the past wonderful year to relive the open houses, costume parties, and picnics, plus the Carnival, dances, plays, the Senior Dinner, and the colorful Prom. We recall those exciting football and basketball games and our victorious teams. We remember our devoted teachers who served as conductors on this journey and our classmates who toured with us.

Now we are pulling into the station marked Graduation, but it is not the last stop. We only change trains to meet new traveling companions with whom we shall journey on to college years and chosen careers.

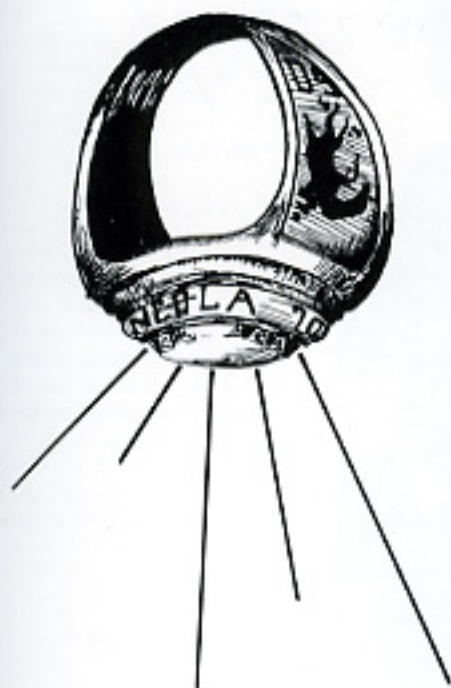

SEATED: Elaine Stillwell, Barbara Litter, Barbara Kothe, Mary DeSorbo, Marian Pecoraro, Gail Zaiser, Judy Thoman, Diane Biedenbach, Sharon Franquemant. **STAND-**

ING: Mr. Nicholas Damaroski, Miss Ruth Berkett (advisors), Barry Dupon.

Dear Jeff - never forget that you have made and did - Best of luck always - Barry Dupon

Senior Officers

SEATED: Gary Hitchcock, Pres., Cecilia Bertoni, Vice Pres. STANDING: Hsueh Ming Wu, Sec., David Sunderland, Treas.

This year Garry Hitchcock has emerged from his vice-presidential apprenticeship to become President of the Class of 1960. Garry's sport interests consist of soccer, ice skating, and skiing. His hobbies are traveling and singing. For his two years of service Garry is wished lots of luck in his future career as an engineer.

Although her roots spring from south of the border, Cecilia Bertoni, our Vice-President, displays none of the sleepy traits typical of the "Land of Mañana." She excels in sports and music, is active in her church youth group, and in her infrequent leisure hours enjoys knitting. Previously, Cecilia held office as Secretary of Mineola's G.O. She plans to be a math teacher.

Hsueh Ming Wu derives her name from her birthplace in Kunming, China. Though characteristically patient, this Miss Personality hasn't let any grass grow under her feet. She dabbles in music and sports and is a member of the Rotary Club. Mineola is proud of this hard-working Secretary of the Senior Class.

David Sunderland, a class treasurer for two years, plays golf and also is reputed to have the handsomest legs on the soccer team. His plans for the future include a college education and a career in civil engineering.

Paddy McKee, our exchange student, hails from New Zealand, a little country half way around the world. Her friendly personality and cheery smile have made her one of Mineola's favorites. Paddy dotes on riding, sneakers, spare ribs, and the Kingston Trio. She fell in love with snow and television, which she saw for the first time in the U.S.A., and WE fell in love with Paddy!

Last summer Karen Hitchcock served as our ambassador to Germany. She enjoyed famous German hospitality in Rheine where she settled down to learn the Old World customs attached to European family life. She participated in the social and academic customs of the German youth, swam, played tennis, and saw the sights. One of her most enjoyable experiences was her trip down the Rhine where she saw much of the beautiful German countryside. Karen may be proud of her contribution in furthering German-American good will.

Our varsity football squad had an undefeated season. The only blemish to mar a perfect record was a 20-20 tie with Hicksville. The sweetest victory of the year was a 20-0 win over our arch rival, Garden City.

The post-season all-scholastic teams selected by both the local and New York newspapers featured several of our players. Mr. Gehrke was named Coach of the Year by the Long Island Daily Press. The players to receive recognition for their outstanding playing ability were Larry Di Blasi, Jimmy Howell, Jeff Ketcham, Cody Copeland, Ernie Brodbeck, Roger Carpenter and Roland Stidweh.

The J.V. team, led by the expert quarterbacking of Paul Popson, had a 7-1 record. The backfield, coached by Mr. Sokolowsky and led by the hard running of Bill Sbarra, Bob Julian, John Boykevich, Bob Vetter and Tom Shimaitus, scored numerous touchdowns, resulting in one-sided victories. Popson's passes, which were hauled in by Bob Davis, netted 20-30 yards at a clip. Richard Bernardi and Mike Holliday were particularly outstanding on the line. Coach Hafner was proud of his team's performance.

The freshman team had a fine 5-1 record. The only loss was suffered at the hands of Great Neck. Although the team was the first freshman team to lose a game in four years, Mr. Kuchinsky feels they show great promise.

Under their new coach, Mr. Brittell, the soccer team won 3 games and tied 2, compared to single wins for the previous 2 seasons. Wheatley was twice a victim of the Mineola booters. John Healy, a first year man, was sensational in the goal. Jim Magyar, the most improved player, scored 4 goals. Coach Brittell was quite pleased with his first season and hopes for an even better record next year.

CROSS COUNTRY

Due to injuries and few squad members, the cross country team had a sparse season. Tom Rothwell hurt his leg early in the season and was never up to par, but Jens Franzen provided a bright spot by placing twenty-first in a field of over 100 entries at the North Shore meet.

TENNIS

Mineola's racket men, in their first year of varsity competition, ran up three victories against five setbacks. Under the direction of Mr. Speed, the team placed fourth in the North Shore Division C loop. The first doubles team of Ron Montheard and Jim Garvey was undefeated, and the third doubles team of Phil Stuart and Mike Tauger had only 2 ties to mar their record.

BOWLING

The bowling team this year showed good potential but could not come through against rough competition. They did, however, post impressive victories over Port Washington and Farmingdale. Joel Davidson proved to be the iron man of the team. His high game of 221 and a high series of 525 were particularly outstanding. Bob Kenny also posted a 200 game. The team should do better next year.

The Mustang Matmen

Coach Brown and assistant coach Karl Britnell can be justly proud of their men for the successful season they turned in. Their 6-1-1 record was good for second place in the North Shore Western Division. The most impressive victory of the year was a 46-5 trouncing of Great Neck North High School. Art Merritt, always a tough competitor, was lost for the season because of a broken ankle. Harold Encizo lost the first scheduled season match of his three year wrestling career, but placed second in the county wrestling tournament. Both Dan Farrar, who beat an undefeated man, and Tom Fleming had successful seasons. John Scott and Joe Meringolo were two other stalwart seniors. Ralph Sammis, showing great ability as a freshman, is the North Shore 104 pound champion.

Bob Howell, Artie Katz, and Bob Buckridge.

Ronnie Alfieri, Tom Wilenski, and Jim Howell.

Our varsity basketball team swept to the North Shore Division One championship with a 17-1 record. The only loss was at the hands of Garden City in overtime. The team won the first annual Christmas tournament at Calhoun High School by defeating Floral Park and Calhoun. A new school record for scoring was established when 94 points were scored against Hicksville. The 17 game winning streak was also the longest in Mineola's history. Big Artie Katz with his famous jump shot had one of the best shooting percentages in the league. Ronnie Alfieri's fine playmaking and the scoring ability of Tom Wilenski, Pete Calamo and Rallie Stichweh provided many thrills. A strong bench was headed by Tony Annunziata and Bob Howell.

"Baseball"

The Mineola Marksmen ranked high in North Shore competition this year. Out-scoring teams from both the North and South Shore, the Riflemen came out tops in this year's Sectional Tournament. Led by Dennis Foreman's two high scores of 189 and his 183 average, the Mustangs held a team average of 900 to make this year one of the highest scoring seasons in Mineola's history. To finish the season right, the Marksmen fired a 930 in their last match to set a new North Shore record.

Only a poor start prevented the Mustang baseball team of last year from making the tournament. They lost the third position slot to Port Washington by the flip of a coin.

The season had many thrills. Tom Wilenski pitched a no-hitter against Great Neck North and Karl Wildermuth's late inning homerun beat Farmingdale. Bob Rivero was named to the North Shore All-Scholastic team as a shortstop.

The vault which set the record!

Jimmy Howell at Cornell University

The track team consisted of only two members last year. Jimmy Howell, who is the New York State Pole Vaulting Champion, set a new track record of 127½" at the NYSAA track meet held at Cornell University last June 6. Before qualifying for the state meet, Jimmy won the Port Washington Invitational with a vault of 10'6", the North Shore Finals with 11'6", and the County Finals with 12' even.

Tom Rothwell ran the quarter-mile as the other half of our track team. His best time was 53 seconds flat. He also qualified for the North Shore Finals.

Last year's lacrosse team turned in the most successful record in the school's history. The team had a 7-1-1 league record and an 8-2-1 overall record. When the all-scholastic balloting took place last June, Meneola was represented by Bob Young, Nick Gordon and John Scott. Bob Young set a school record of 37 goals scored for the season, and he was voted the league's Most Valuable Attackman. Nick Gordon, a defenseman, and John Scott, the goalie, provided some of the most sparkling defense in the league. The high-light of the season was the game with Sewanaka, which ended in a 5-5 tie.

Until 1933 Mineola High had only one cheerleader — a boy, Miss Gregory, head of the girls athletic department, then decided that Mineola should have girl cheerleaders. She organized a cheerleading squad and taught them some of her college cheers, some of which are still used today. She headed the cheerleaders until 1955 when Miss Hughes took over.

For over 25 years our cheerleaders have been doing a wonderful job. They practice faithfully twice each week. The girls make up many of the cheers themselves or get ideas from a cheerleading handbook. For years to come we'll remember their yelling — "We're from Mineola, and no one could be prouder."

Dear Jeff,

Go, Mustangs, Go! . . . Once again the cheerleaders have led the school in cheering the football and basketball teams to victory. Out on the cold field or in the stuffy gym they are always there, ready to raise the spirits of players and spectators alike.

When a girl earns 1,000 credits for a combination of class work, intramurals and refereeing, she is eligible to join the Girls' Athletic Association. For a week she wears a dog collar as part of the initiation. After she has become a full-fledged member, she must continue her good work by participating in at least three intramural sports a year.

The girls are proud to announce that the girl they sponsored at camp last summer benefited greatly from her experience. Since the project was such a success, it will be carried out annually.

The Leader Corps Cadets are junior and senior girls who are outstanding in sports. They are assigned to gym classes to help the gym teachers in taking attendance, refereeing games and instructing the classes.

G.O. EXECUTIVE COUNCIL SEATED: P. Popson, P. Harrison, D. Sunderland, J. Garvey, R. Stichweh, K. Kozo, L. Paul, D. Young STANDING: Mr. Goldberg, Mr. Parmet (Advisors).

The General Organization of 1959-60 has once again been the center of all high school activity. Some "firsts" of this year's council were the extensive sale of book covers, the solving of bus problems, and the creation of a "Mustang" mascot. The G.O. also sponsored the sec-

ond annual carnival, the "Mardi Gras," which was a marvelous success. Student enthusiasm and spirit, along with excellent leadership, all contributed to a successful school year.

**DRAMATICS CLUB and
RADIO WORK SHOP**

The Dramatics Club has become an integral and active part of our Dramatics Department. The Club met regularly this year covering such fields as try-out hints, make-up demonstrations, discussions on various phases of backstage work, and presentation of one-act plays.

Radio workshop has given us another season of morning and afternoon announcements. The group also presented four short plays in honor of our national holidays. Membership is open to all students interested in working with radio productions.

QUESTION MARK EDITORS SEATED: M. Tabin, B. Kothe, N. Siegel, B. Barkan
STANDING: R. Hirsch, J. Davidson, B. Jonap, B. Garvey, J. Barr.

This year, as always, our dedicated, ink-stained, members of the Fifth Estate have served us well. Under the skillful leadership of their co-editors-in-chief, Barbara Kothe and Nina Siegel, the **Question Mark** reporters have kept the student body abreast of the latest school news with such scoops as the sports scores and the re-

sults of the G.O. election. Such special features as personal interviews and odd bits of gossip were faithfully conveyed to us by the ?'s newest cub reporter, "Milton Mustang." There is no pastime more enjoyable than reading all the Mineola news that's fit to print.

"The Signet"

Everyday, during 8th period and often till 5 or 6 P.M., members of the **Signet Staff** work to publish the yearbook. Accompanied by clacking typewriters and scratching pens, all industriously work on layouts, write-ups and art work to tie in with the theme.

When the page proofs are returned for the first sec-

tion, the excitement of accomplishment helps renew the staff's efforts to meet each deadline. We of the current **Signet Staff**, are proud of the book we "published" and hope you will enjoy reading it as much as we enjoyed making it.

The main object of German Club is to acquaint interested students with such German classics as the music of Wagner and the literary works of such writers as Schiller and Goethe. While meetings are in session all discussion is carried on in German. In addition to their many varied activities, the German Club's president, Bob Dornemann, has a well rounded field trip program planned, including trips to the opera and the West German embassy.

Students in the Latin Club enjoy many entertaining hours in their meanderings through ancient Rome. There they learn much about the Romans and their civilization. Plays and skits are often on the agenda for the club meetings which help to dramatize Roman life. Other programs present games and popular songs sung in Latin. The Latin Club gives the students a better understanding of the ancient people whose language they are learning.

Pencils and wits sharpened, the Math Team races against time competing against math teams from 47 other schools. Contests sponsored by the Nassau County Inter-Scholastic Mathematics League offer prizes to those contestants compiling the most points. Between contests Miss Fields keeps Math Team members hopping with tricky problems.

Mr. Goldstone has undertaken the training of aspiring Math Team members. Math Club tackles the same type of problems as the Math Team. Math Club is also interested in other school activities as shown by their booth in this year's Winter Mardi-Gras.

CHESS CLUB - - D. Sanders, R. Saxon, P. Jangatchian, H. Wu, D. Levy, R. Scott.

Did you know that chess originated near the present Indo-Chinese border? Were you aware of the fact that it was later taken to Europe where it adopted a form of the European feudal system? To learn the intricacies of this fascinating pastime one should join the Mineola High School Chess Club. The present six members of this group meet and engage regularly in fierce struggles with other schools in the North Shore Chess League. It is hoped that these unsung heroes will not become extinct because of lack of new members.

BIOLOGY CLUB SEATED: L. Hopfenitz, C. McGurer, Mrs. Kurland, P. Cimiera, C. Polcastro ROW 2: J. Wittich, R. Maennle, L.

Lipman, M. Friedman, S. Rakoff, D. Levy ROW 3: C. Fiola, P. Ruppert, N. Goodale, L. Wolf, W. Rapp.

Biology, the study of life, is a very complex and interesting field. Not only can one increase his knowledge about nature and its ways from the Biology Club, but one also gains a great deal of insight into things that once seemed obscure and mysterious. Once a student has had the stimulating experience of being in the club, he will feel that he has experienced an adventure that he will never forget.

The Chemistry Club, under the supervision of our new chemistry teacher, Mr. Berka, is an active group devoted to experiments in the field of chemistry. The main objective of the club is to give its members an opportunity to perform individual projects and experiments which they are unable to do during class. One of the highlights of the year was a trip to the Exposition put on by electronics corporations at the Garden City Hotel.

CHEMISTRY CLUB ROW 1 — D. Sanders, R. Scott, H. K. Wu, A. Miller, F. Kleinsinger, W. Fitterer, ROW 2 — Mr. Berka, W. Deichmann, R. Saxon, R. Dornemann, R. Knakal.

The Art Club which is open to all students, offers budding artists an opportunity to express themselves. Guided by Mrs. Scott, the club produces many original creations which are artistically noteworthy. This year the club's Christmas window won second prize for Nassau and Suffolk schools.

The girls on the Library Council keep track of the student passes, and check out and shelve books. Those overdue slips that you receive are made out by the Library Council, who help Mrs. Johnson maintain her efficient and orderly library.

The Future Homemakers of America work to promote interest in home economics and to develop worthy home members. The F.H.A. has many worthwhile and commendable projects besides the sale of candy and cake, the proceeds of which are used to send representatives to the state convention. They make baskets for needy families and help other chapters install members. The local group also joins other chapters in various activities, such as their own bowling league.

The Future Teachers of America seek to channel interested students into the field of education. By observing and studying every side of the field, the future teacher is better able to select the branch of education for which he is best suited. They meet annually with other chapters of this state-wide organization at a convention where the future teachers have an opportunity to exchange concepts and ideas. The F.T.A. also deals in many community charitable services.

Every year M.H.S. enjoys an evening of really exceptional basketball played by former M.H.S. male students. After the games, a dance and social evening make the occasion a memorable one. The evening of fun and excitement is usually held annually on Friday before Thanksgiving. This entertaining reunion with old graduates is made possible by the members of the Publican Grads, an organization formed to establish contact with Mineola alumni and to organize and sponsor school activities which include graduate participation.

This year twenty-nine people are sharing the glorious feeling of being a part of the National Honor Society. Knowing that one has filled the requirements of scholarship, leadership, character and service, each member proudly wears his or her charm or pin for all to see. Inductions held every February, are quite meaningful and recognize those students who have and exhibit outstanding qualities.

The office workers are composed of a staff of seven girls who are of valuable assistance to Mrs. Sunderland, secretary to the high school principal. One girl is on duty each period of the day delivering messages from the office to students in class, passing out supplies and lists to teachers, and in general helping to establish efficient communications throughout the building.

The girls who serve on the Attendance Council during their free period help the faculty by picking up absence slips from classes, checking them with the absentee list and checking on students who do not appear in classes. Theirs is a very important job which they do well.

Special Courses

Special

This year a group of students with a high science aptitude participated in accelerated courses in biology and earth science. Through a more intensive study of subject matter and the completion of individual projects, these students are being better prepared for college science.

1960 also marks the institution of beauty culture for school credit and the graduation of the first practical nursing class after a two-year course in body functions and patient care. The future beauticians study the art of hairdressing and allied subjects and must pass a State examination.

Seniors in Miss Berbrich's humanities class continue to prove that it is not necessary to pabulum-feed today's teenagers. After a substantial diet of classical writers, Greek and Gothic architecture, art from Rembrandt to Picasso, and ancient and modern music, this year's group agrees that it was "hard, but definitely exciting and worthwhile."

In the advanced math courses students are being prepared for college courses and to meet the demands of modern mathematical thinking. The work includes the traditional material as well as such topics as symbolic logic, complex numbers, and introduction to the calculus.

ACKNOWLEDGEMENTS

The SIGNET staff wishes to extend its thanks to the following people:

Miss Marion Palmer for her assistance to the Editorial Staff.

Mr. Clifford Butt for his advice to the Business Staff.

Mrs. Madeline Scott for her able direction of the Art Editors.

Mr. Eugene Barnard, representative of the American Yearbook Company, for his many helpful suggestions and guidance.

Mr. Robert Faller, SIGNET photographer, for his excellent photography.

Mrs. Eva Sunderland and the office staff for their cooperation.

Dennis Foreman for his candid shots.

Nina Siegel and the QUESTION MARK for their many kindnesses.

The Seniors who assisted the staff in the sales campaign.

Without the help of those mentioned above it would have been impossible to publish our yearbook.

*Love ya

Dear Jeff,

I know everybody starts off by saying Best of Luck to a wonderful guy. Well I guess said it too. I mean every word of it too Jeff- you're a great guy and I do wish you all the luck in the world. I hope in college you'll have as much fun as you had in Mincola. I'd like to say more but you have probly heard it. So I'll just sign off and wish you luck and Love.

Love
Carolyn

Dear Jeff,
Best of luck in
the future years and in
Upsala college. I know
you'll do great in football
up there. Keep up your good
work.

Dear Jeff

Best of luck, love
and success to a really
terrific guy. I'll really
miss you when you go
to college, but I'll see
you around and I hope
you'll give me a ring
once and a while.
